

Congresswoman Gabrielle Giffords

in partnership with

Pima County Public Library

presents

SOLAR POWER 101:

A Community Education Series on Solar Energy

Joel D. Valdez Main Library

101 North Stone Avenue (Downtown)

Wednesday, May 14, 2008

6:00 to 8:00 pm

Presented by the staff of Congresswoman Giffords and solar energy experts:

The Potential of the Solar Industry, a presentation about opportunities and obstacles for the solar energy industry in the short and long terms, including economic issues and technological advances, featuring:

Valerie Rauluk, CEO of Venture Catalyst

Tom Alston, Solar Alliance

Solar Power 101 Series Overview, a presentation covering all six previous sessions, with pictures, slides, and a summary of the information. A celebration of the many expert guest speakers will be followed by an abridged version of **Solar Power for the Home: Getting Started**, by a member of Congresswoman Giffords' staff.

Space is limited for this presentation.

PLEASE RSVP by Friday, May 9
tamarack.little@mail.house.gov or 520-881-3588
